**Boil Water Notice in
Effect for:**

**Point Enterprise WSC
Customers in the Cotton Gin Area**

Effective until Further Notice

Due to a main line repair of FCR 930, Point Enterprise WSC is issuing a Boil Water Notice until there is evidence of no harmful bacteria present. This is a precaution to ensure the drinking water is safe for human consumption.

Point Enterprise WSC will inform customers when it is no longer necessary to boil the water, prior to consumption.

For more information, please contact **Robert Murphey @ 254-562-6295 or 137 LCR 499 Mexia, TX 76667.**

General guidelines on way to lessen the risk of infection by bacteria and other disease-causing organism are available from the EPA Safe Drinking Water Hotline @ 800-426-4791.
